

Dues Changes

ASTR dues have been unchanged for many years. The present increase for regular members reflects an accumulated tide of rising expenses related to the production of *Theatre Survey*, cost and quality of conferences, and routine finance. ASTR remains a bargain relative to comparable organizations. Please note that membership dues for retired and student members remain level.

For more on the Executive Committee discussion of this issue, members may read the Minutes of the Spring 2008 Executive Committee Meeting (pp. 3-5) also posted on this page.
